GraphPlex Signs specializes in the fabrication and installation of exterior and interior signs. For over 35 years, we have been one of south Florida's leading suppliers of illuminated and non-illuminated custom signs.

Our state-of-the-art 10,000 square foot facility manufactures all types of signs including street signs, monument signs, channel letters, dimensional letters, ADA signs, logos, wayfinding signs, directories and banners.

We have an impressive client list that continues to grow with municipalities, property management companies, condominiums, hotels, communities, retailers, Advertising/Marketing firms as well as countless small businesses.

GraphPlex is centrally located in Hollywood on Interstate 95 and Sheridan Street. We are state licensed and insured and have the expertise to permit your project in a timely, efficient manner.

When it comes to your signage needs, GraphPlex Signs is your one stop shop for custom signs at affordable prices.

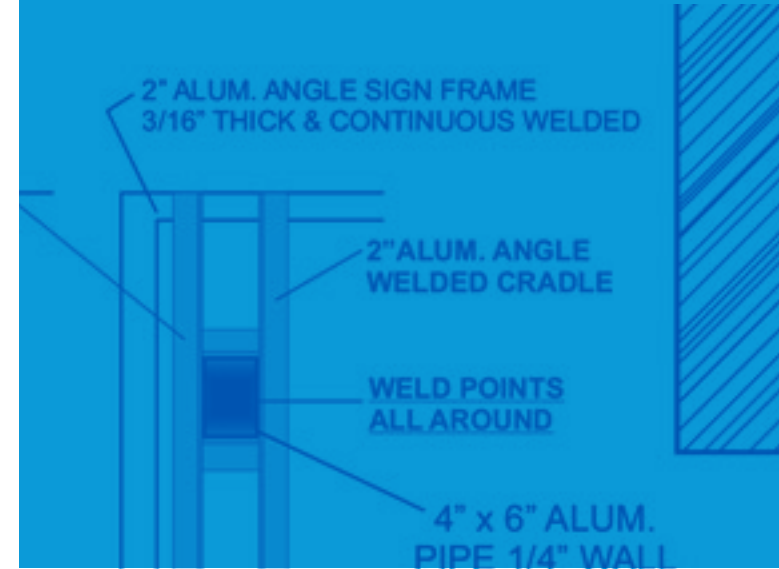

MUNICIPALITIES

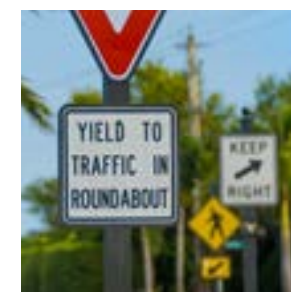

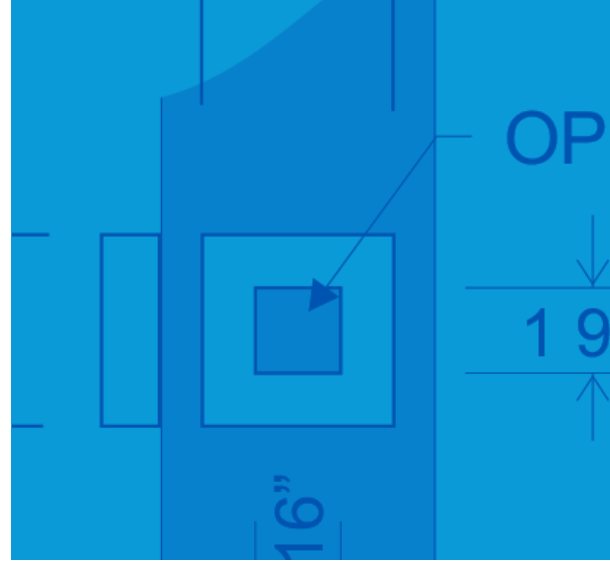

GraphPlex has the experience of working with municipalities in numerous fashions. From sign consultants to original project evolution, GraphPlex has the “know how” to work with you.

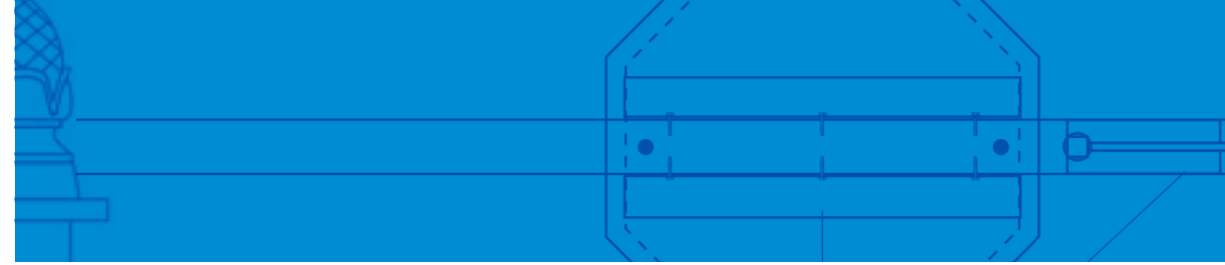

IDENTIFICATION

We have the ability to interpret and create your plan or provide designs in a creative environment through one of our staff designers. Our on-site team of designers and fabricators are here to produce attractive, quality signs.

RESIDENTIAL WAYFINDING

The team has recently produced wayfinding signs, custom street signs and monument signs for many of our municipality clients such as the City of Weston, City of Coral Springs, City of Bay Harbor Islands and the City of Sunny Isles Beach to name a few.
